CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body in which its product certification system includes inspection and testing of samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and/or warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Issued To:

QM USA CORP. DBA QM DRAIN

129 NW 25TH TER FORT LAUDERDALE, FL 33311 , United States

Product:

Load Bearing, Bonded, Waterproof Membranes for Thin-Set Ceramics Tile and Dimension Stone Installations

Products are in compliance with the following code(s):

Uniform Plumbing Code (UPC®)

Products are certified to the following standard(s)

ANSI A118.10-2014 (R2019), which is a component standard of the ANSI A108, A118, A136 American National Standard Specifications for the Installation of Ceramic Tile (Material and Installation Standards) compendium published November 2017

File Number: 14168

Revised Date: July 18, 2023

Effective Date: July 2023

Void After: July 2028*

Chairman, Product Certification Committee

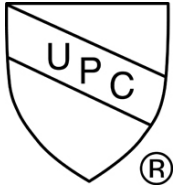

Chief Technical Service Officer

*This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.

Product: Tileable Shower Receptors and Shower Kits

Void After: July 2028

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Identification:

Each tileable shower receptors and shower kit shall be marked with the manufacturer's name or trademark or, in the case of private labeling, the name of the customer for whom the product was manufactured. Markings shall be permanent, legible, and visible after installation but before installing the coverings. Shower receptors and shower kits that use installer-supplied membranes or coatings shall have a non-permanent label stating "Do not install this shower receptor or shower kit without the appropriate waterproof-membrane liners or coatings". The product shall also bear the cUPC® certification mark.

Characteristics:

Prefabricated, tileable shower receptors; and tileable and pre-tiled shower kits intended to be assembled in the place of final installation. To be installed in accordance with the manufacturer's installation instructions and the requirements of the latest edition of the Uniform Plumbing Code and National Plumbing Code of Canada.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
